

## 2022 SCHOLARSHIPS APPLICATION GUIDE

### About the Scholarships and Bursaries

AVCAT scholarships and bursaries support students who study full-time at a university, TAFE or registered training organisation within Australia. Scholarships provide financial assistance for generally 3 years and are awarded based on financial need, academic potential and deservedness.

#### Long Tan Bursaries

The Australian Government Department of Veterans' Affairs funds the Long Tan Bursary for children and grandchildren of Vietnam Veterans. Eligible children of Vietnam Veterans are given priority.

#### Sponsored Scholarships

Ex-service organisations, corporate and private donors provide sponsored scholarships. Click here to see [our sponsors](#).

### Eligibility Criteria

**Eligibility for a scholarship include the following:**

- Australian residency status.
- Planning to enrol or enrolled in an undergraduate degree in Australia of one or more academic year's duration in a university, a TAFE or a registered training organisation in 2022.
- Be studying or planning to study full time online, face to face or a blend of both. Priority is given to those who have not previously undertaken tertiary education.
- Applicants who are seeking a scholarship for a second degree, Masters or Doctorate degrees may be considered for a scholarship but will be treated as a lower priority. If an applicant has received a Long Tan Bursary, they cannot be considered for another Long Tan Bursary.

must have resided with or been financially supported by their veteran stepparent for 5 of the last 10 years.

- The veteran must be an Australian ex-serving veteran with operational service including eligible war service, war-like service and peacekeeping/peacemaking service OR 3 or more continuous years of full-time other service, as a member of the Australia Navy, Army or Air Force. (You can search the [Nominal Rolls](#)). People who are serving in the Reserve Forces are considered to be serving so the applicant is not eligible.

## Important Information

### Please note the following:

- Applicants need only complete one application form to be considered for all AVCAT scholarships and bursaries.
- It is a requirement of the application to provide academic results, a referee or employer report, detailed financial information and other supporting documents. If this information is not provided, an application cannot be considered.
- All scholarships and bursaries share common eligibility criteria. However, specific criteria may apply to individual scholarships, such as, born/living in a specific state/territory/postcode; the veteran's membership of a particular association; the veteran's service in a specific conflict/battalion/particular section of the Defence like RAAF; or the course of study.
- Applications are assessed by independent assessors and AVCAT's National Selection Committee.
- The selection process is very competitive and scholarship numbers are limited therefore, not all worthy and eligible applicants will receive a scholarship.
